I would like to thank the golf course for the use of the facility, and the pro-shop and the food services for making today a great day for all of us.

Congratulations to all winners and good luck at OFSAA.

I hope everyone enjoyed the course and a great weather day to golf.

Thank you to the coaches for monitoring the play today and bringing the signed scorecards to the pro-shop for very fast calculations of the totals.

Enjoy your year and we'll talk to you in the spring.

FYI . . .

Ryan Matches (PCI) is looking at the possibility of running a 2-day tournament in the spring consisting of 36 holes (18 one day and 18 on day two).

Thanks

Wade Walker/Doug Lusk
