Playing Regulations:

We will be following the WOSSAA playing regulations. These include (but are not limited to) the following:

The following procedures shall take place at each game:

- (i) At the beginning of the game players will flip a disc to determine which team will start with the disc and which end each team will start at. The winner of the disc flip has the choice of picking the end they wish to begin at or if they wish to pull or receive the disc.
- (ii) At the beginning of the game a disc flip will occur to determine the gender ratio for the first point.
- (iii) At the beginning of the game if there is a conflict over jersey colour then the disc will be flipped to determine which team will change jersey colour.
- (iv) At the completion of the game players and coaches shall shake hands with all opponents.
- (v) At the completion of the game players will participate in a spirit circle.

Gender ratio rules

i. The gender ratio rules will follow the WFDF rule 'A' which prescribes the ratio as follows:

At the start of the game, after the first disc flip, an additional disc flip happens with the winner selecting the gender ratio for the first point. For the second and third points, the ratio must be the reverse of the first point. For the fourth and fifth points the ratio must be the same as the first point. This pattern of alternating the ratio every two points repeats until the end of the game.
