Food: Members of the Vanastra Curling Club will be selling homemade mac and cheese, sausage, salad and a cupcake for lunch. The cost is \$10. Please encourage your athletes to support the club. Cash only. An athlete is welcome to bring their own lunch

There will also be pop, bottled water, gatorade, chips and chocolate bars available for purchase. Cash only.

Playing Regulations:

Please review the playing regulations for WOSSAA curling.

I have arranged to have a pool of 2 players from each gender on standby should the need arise for a team to have a fourth player. The students will remain in school and be called upon to come to the curling club if needed. Since Huron & Perth counties are vast areas, it could take up to an hour for a student to arrive at the curling club. If you know prior to the start of the competition that you will need a pool player, please contact me, via my cell phone, so I can make the necessary arrangements.

OFSSA:

OFSSA curling will be held March 20 - 23rd 2024 in the Kingston area hosted by EOSSAA. The registration deadline is March 7th. The details can be found at <https://www.ofsaa.on.ca/championship/curling/> . You will to register your team through the OFSSA Hub. An username and password will be needed to do this. You might like to touch base with your athletic director ahead of time to ensure your school has an username and password for the OFSSA Hub.
