### School Information:

WCI - 35 Riddell St., Woodstock, ON, N4S 6L9

As this is a regular school day for WCI, please avoid our hallways unless needing a washroom. The balcony in the gym at WCI is an acceptable location for teams to congregate. Use the **WCI SOUTH entrance** for entering the building, as the gym/balcony is located on that side of the school. There are many eating options within walking distance of the school. Information can easily be provided from the convenor. Also, please note parking is limited and cannot be guaranteed. There are a lot of local parking lots that have municipal restrictions attached.
